

Andrew Noyes

Audio - Video - Photo - New Media

📍 Ithaca, New York

Profile

Technology is my passion and the reason I stepped away from my career in the restaurant industry to return to school. As a chef I learned how to manage time and people, honed my ability to adapt to various circumstances, and make decisions under pressure. Reliability, responsibility, and loyalty became part of who I am. As I student I learned how to apply these skills and fundamentals to technology.

Experience

Intern @ Soundtrack - New York, NY

01/2018 - Present

Learning the ins and outs of a post-production sound house. Shadowing engineers, machine room ops, & office managers.

Branding - Media Design @ Bandwagon Beer INC. - Ithaca, NY

05/2015 - 08/2017

Established web presence, content creation, design of bottle and can labels under federal standards, product branding

Executive Chef @ Northstar Public House - Ithaca, NY

2009 - 2013

Creation of menu, kitchen staff management, meeting state health code standards, coordinating catered events.

Beer Promotions & Sales @ Ithaca Beer Co. - Ithaca, NY
